HOME NEWS.

All kinds of Personal and
Neighborhood Items—Jotted
Down by Our "Localist."

Wheat has been sown in this
county as late as Oct. 30th.

The Oregon City Council meets
at 6 o'clock, Tuesday evening, Nov.
7th.

The many acquaintances of Judge
Solomon Lehmer and Bayard Lehmer,
will be gratified to learn that they have
safely returned from their visit to the
Centennial.

Elder P. K. Dibble will preach in
the Presbyterian church in this place
next Sunday, Nov. 5th, at 11 o'clock.
Subject: "Make to yourselves friends
of the mammon of unrighteousness,
that when ye fail, they may receive you
into everlasting habitation." (Luke 16,
9.) Also at Union School House at night.

Rev. Geo. Miller of Pleasant Hill,
Mo., will preach at the Presbyterian
church in this city, next Sabbath night,
Nov. 5th.

R. K. Q. King, Esq., of Springfield,
Ohio, was in the county several days
this week, looking after some landed
interest of his. He started for his
home on the first instant, where he ex-
pects to be on the 7th, to vote for Hayes
and Wheeler.

Mr. Jacob Waggoner, an old-time
resident of Holt county, passed
through here Thursday of last week,
with his family of wife and six chil-
dren and household goods, loaded on
three wagons, bound for the Marietta
settlement in Northwestern Holt. They
have been since early last spring,
intending to make it their home. But
on closer investigation Mr. and Mrs.
Waggoner find that Texas is not as
good a country as it is cracked up to
be, and that Holt is their "best hole"
after all, where they again intend to
build up a permanent home. Right.

Messrs. Amos Wise, Cornelius
Kunkel, Ed. Welby, well known citi-
zens of this county, have returned to
their homes after an extensive trip to
the East, including the Centennial.

Dr. N. W. Hayes of Corning,
Mo., started for Ohio Medical College,
Cincinnati, on Monday, to attend the
medical lectures to be delivered at
this institution this fall and winter.
He will be gone until the middle of
March.

Messrs. Sol. Catron and Wm.
Hinkle, who some seven months ago
went to the gold fields of the Black
Hills county, returned to their homes
in Bigelow township last week. They
eluded the vigilance of Sitting Bull
and Crazy Horse, and are still the hap-
py possessors of their own scalps.

Messrs. Thaddeus and Cad M.
Slaughter, of Union township, have
gone to the Black Hills. They intend
to follow mining now since the "noble
Red Man" seems to manifest a spirit of
submission to the government.

The following well-known gen-
tlemen left this week:
For Little Rock, Arkansas: Clarke
Irvine, Eugene Irvine. For Philadelphia:
Wm. Springer, John France.
For St. Louis, Mo.: Allen Daniels, of Princeton,
Illinois, was in town several days last
week looking after some landed inter-
est of his.

Whitell at Craig the other day
we saw some of the finest ears of corn
we have seen this year. It was of the
mammoth kind, the ears all well filled
and averaging 12 inches in length. It
was raised on the farm of Mr. John M.
Hoagland, of Union township.

Mr. J. G. Zachman, of Indiana,
brother of Daniel and Henry Zachman
of this county, gave as a call at our
office one day last week. He had been
in the county about ten days looking
after some landed interest of his.

GOOD TEMPLARS.
The Good Templars lodge of Craig
held an election Oct. 26th, when the
following officers were chosen:

J. W. Lewis, F. S.
Mrs. Lizzie Welch, Treas.

J. Varney, W. M.
Miss Laura David, I. G.
Robert Lyon, O. G.
Miss A. M. Hobbitts, R. H. S.

Mrs. — Varney, D. M.

Normal School.

Many inquiries have been made by
the citizens of Holt and adjoining
counties as to the success of the North
West Missouri Normal School, in order
to answer these various inquiries, we
would say that the first term will close
the 10th of November. Sixty students
have been enrolled in the Normal de-
partment during this term.

Entire satisfaction has been given by
Prof. Hill and his assistants, and the
patrons of the school are highly grati-
fied with the present success and the
future prospects. Quite a number of
new students are making preparations
to enter the school at the beginning of
the second term, which will be No-
vember 13th.

All who want a good education, or
who want to qualify themselves for
teaching, cannot do better than place
themselves under the instructions of
Prof. Hill and Miss Heath. Boarding
can be had at \$2.50 to \$3 per week.
Tuition \$7.50 per term. This opportu-
nity should not be improved by all who
want an education.

Attention!
To the Judges of the Elections
of the Several Townships
and Precincts of Holt
County.

We recommend that you take
with you the statute of 1875, which
points out your duty on pages 51, 52
and 53.

IN MEMORIAM.

CHARG, Oct. 18, 1876.
Resolutions upon the death of Miss
JOSE HUFFSTETTER, member of Craig
Lodge, No. 885, I. O. G. T.

WHEREAS, It has pleased Almighty
God, the great Ruler of the Universe,
to remove from among us a beloved
sister, therefore be it

Resolved, That while we bow in
humble submission to the divine will,
yet we deplore the loss of one so young
and fair, one whose hand was ever up-
lifting to assist the sick, the aged and
infirm. One whose talents were so
promising for the future.

Resolved, That the memory of the
many pleasant associations with her
while here, will ever be a pleasant
thought, and will be cherished till we
are laid beneath the "cloths of the vale."

Resolved, That in sister Huffstetter
this lodge has lost an ardent co-worker
in the Temperance cause, the family a
dutiful daughter and loving sister, so-
ciety an ornament and her friends a
treasure.

Resolved, That we extend our heart-
felt sympathies to the bereaved family,
in this their time of "great affliction."

Resolved, That sister Huffstetter's
death should remind us that life is
short, that man is like the summer
clouds, which lasteth for a short sea-
son and then vanisheth away, that it
should teach us to live nearer to the
grand principles of our much beloved
order.

Resolved, That we will wear the us-
ual badge of mourning for the term of
twenty days.

Resolved, That a copy of these resolu-
tions be sent to the HOLT COUNTY
SENTINEL for publication.

Bad Breath!
Nothing is so unpleasant, nothing so com-
mon as bad breath, and in nearly every case
it comes from the stomach, and can be so easily
corrected if you will take Simmons' Liver
Regulator. It will cure you of this
repulsive disorder. It will also improve
your appetite, cleanse your blood, and
strengthen your system.

SICK HEADACHE!
This distressing affliction occurs most fre-
quently. It is a disturbance of the stomach,
arising from the imperfectly digested con-
tents of the stomach, and is accompanied
with disagreeable nausea, and this con-
stitutes what is popularly known as Sick
Headache. Dr. J. C. Hobbitts, of
Forest City, Mo., has cured many cases
of this kind, and he can cure you. He
uses Simmons' Liver Regulator, with good
effect. It is mild, and
suits the delicate and sensitive.

ferer, the one who has been afflicted with
chronic indigestion, who has recovered health,
cheerful spirits and good appetite—they
will tell you by taking Simmons' Liver Regulator.
